STIPULATED FACTS:

Beginning in or before May 2020, and continuing until in and around November 2020, Ivory Minor conspired with Abram Lewis and Johnny Britt and others, to distribute and possess with intent to distribute at least 40 grams of a mixture and substance containing a detectable amount of N-phenyl-N[1-(2-phenyl-ethyl)-4piperidinyl] propanamide (also known as fentanyl). Minor would receive pills that contained fentanyl, and he would distribute those pills from a building called DFW Hall located on E. Berry Street in Fort Worth, Texas, sometimes with the help of Lewis and Britt. On October 22, 2020, an undercover officer (UC) placed a recorded call to Ivory Minor and arranged the purchase of 100 "blues" for \$3000. Before the UC arrived at the DFW Hall, the UC spoke with Minor on the phone. Minor said he had to go to the dentist and to call when the UC arrived. Upon arrival, the UC called Minor who said that Minor's brother would bring the pills out. Moments later, Lewis came out of DFW Hall and met the UC at the UC's vehicle. Lewis took the money from the UC, confirmed it was \$3000, and gave the UC a white pill bottle inside of which contained one hundred (100) pills that later laboratory tests confirmed contained a detectable amount of N-phenyl-N[1-(2-phenyl-ethyl)-4piperidinyl] propanamide (fentanyl). In this manner, Minor admits he conspired with Lewis, Britt, and others to distribute, and possess with the intent to distribute, fentanyl.
